Description of Product

Light Sensor V5M, Type 01
Light Sensor V5M, Type 03

Order-Number: 100 993
Order-Number: 141 471

Specified technical data in document: technical description light sensor V5M

The indicated products correspond to the European directive 2014/35/EC.

The indicated products comply with the regulations of the directives. This is proved by the compliance with the following standards:

Reference number	Specification
EN 61326-1:2013	Electrical equipment for measurement, control and laboratory use, EMC requirements – Part 1: general requirements
EN 55011:2009 + A1:2010	ISM devices, radio frequencies disturbance characteristics
EN 55022:2010	IT equipment, radio disturbance characteristics
EN 61000-3-2:2014	EMC, limits for harmonic current emissions
EN 61000-3-3:2013	EMC, Limits – Limitation of voltage changes, voltage fluctuations and flicker in public low-voltage supply systems
